Reflection Post - focus on thoughts about Marco Torres' teaching decisions and personal journey in class	Posting shows clear understanding of the topic and discusses NEW information forcefully and convincingly.	Well developed ideas; introduces new classroom ideas; points to online resources for implementation and stimulated discussion.	Well developed ideas; introduces new classroom ideas; and stimulated discussion.	Developing ideas; sometimes stimulates discussion.	Poorly developed ideas which do not add to the discussion.
Response Post			Post incorporates all of the points to the right and also reflects on classroom implications from a personal perspective.	Clear evidence of analysis and synthesis of original thread and includes insights, new information or resources to further thinking	Post is on time but does not seem to respond to the content from original thread.
